I am needing to be vigilant against illegal electronic espionage abusing means of surveillance. I am in an EXTREMELY severe conflict and of interest with County of Sacramento and infiltrating Occultic Organized Criminals with very extremely, severe, egregious complaint case: CDSS SHN104736662 with issues of

high magnitude and Anomolously  
SEVERE Implications of the  
Criminal Acts in a Conspiracy, when  
your Agency IS BOUND by  
MANDATORY OBLIGATION  
UNDER Law, and to not be in  
Criminal Contempt by Obstruction  
of JUSTICE, to HEAR cases of  
CRIMINAL MISCONDUCT of  
Agents of the County as SUBJECT  
MAtTER NEXUS JURISDICTION at  
Venue WITHOUT Abuse of Process  
Violating Rights of Due Process or  
Procedural Misconduct to TAMPDR  
or SABOTAGE!

Enemies, in Colluding Conspiracy  
Criminal Heiniouly (RELEVANT

Matter at Venue whether judge prefers to evade responsibility or not, which I will not tolerate) subject of my complaint, DEFINITELY have Motive to Racketeer as has been a CONSTANT recurring pattern in all of my matters (Which I am CONFRONTING at various adversarial-conflict venues over time with many cases, with cause against such as high priests, by intellible acts in collusion, and the whole Mafia ACTUALLY by proof... I DEMAND YOU ADMIT and not false-deny in guilty-defensive reaction... AND NOT Minimize the HIGH-PROFILE LARGE-SCALE

PRIORITY, SEVERITY and  
WEIGHT of Case without cowardly  
NEGLECT or Diversion in  
cooperation with interest of these  
aforementioned when my CAUSE  
has THE MOST WEIGHTY  
OVERRIDING INTEREST to be  
NOT PREJUDICED by ANYTHING  
MORE THAT IS UNSOUND OR  
UNFAIR!!!!!!!)

Recent log of enemy, electronic  
espionage with intent for Record  
Tampering, Procedural Tampering,  
RICO Violations in Conspiracy  
subject of my state hearing request  
Complaint initiating case at issue

(that I will WILL NOT TOLERATE being Diverted, Defaultd, Tampered, Ignored or MISHANDLED Unfairly!!!!), RETALIATING accessible at my website launched for delivery which I maintain.

SEE BBOIP Beacon Blog from navigation menu at [www.bboip.wordpress.com](http://www.bboip.wordpress.com).

I need to verify my access information is still accurate (or example: Calfresh Calvin account for records continually gets hacked, by same enemies and with collusion within infiltration of agency) for

access to case records and filing procedure. If it has been hijacked; I am going to be even more LIVID with the continual DISRESPECT!!!!!!

Furthermore, the Judge has “quote” “Postponed” “quote” (for Continuance in other words... dah) case after my confrontations, on the sound record, of GROSS MISCONDUCT... protected by now without any further action when I HAVE COMPELLED DISCOVERY necessary to be DELIVERED by EMAIL and without any further response as if cowardly IN ESCAPIST Denial concerning the

severe implications for said Agency  
but Interest of JUSTICE is DUE!!!

I do not even say PLEASE.... BUT I  
DEMAND response with a solution  
to this message!

There have been way too many  
service anomalies LATELY Evincing  
on LARGE-SCALE which my  
Enemies do have motive for..

I WILL NOT Tolerate an EXCUSE...

I have REASON to SUSPECT

GROSS case TAMPERING and

Misrepresentation... I am diligently

following to ENSURE sincerity of

process. ANSWER me WITH

PROVEN SECURITY that case

records still intact faithful and my  
username and password is

ALSO!!!##!

I am retaining record of this  
message and will post as all!!! Make  
sure I am not harassed with these  
problems at site anymore!!!!
